### Nieuwsbrief/ Newsletter

Nr. 2 july 2018

**English version** 

Dear C6 members,

Time to inform you about our activities for the second half of this year.

In the first place: Our new website is now online. You will find the site under the same URL as the old site. www.citroenc6-genootschap.nl

Only the dutch version is online. The English site is still under construction To explore the secure part of the site, you have to register. This new registration does not interfere with your earlier registration with our club. These registrations are in a separate database.
